

Seasonal Environmental Educator - Seasonal, part-time. Non-profit Elizabeth River Project is looking for seasonal educators to help teach spring programming on the Learning Barge, America's Greenest Vessel and the Learning Barge on Wheels, delivering environmental education in the form of a mobile van to students in south Hampton Roads.

Be a part of educating elementary, middle and high school students participating in outdoor field investigations with hands on activities. Work with a team while teaching Elizabeth River education, sea-level rise, ecology, native plants and animals, water quality testing and more. Learn in-depth about Elizabeth River environmental challenges and solutions while fostering a new generation of river stewards throughout its restoration. Ideal applicants are team players and have a science, recreation, or teaching background, although diverse backgrounds are welcome. Experience working with youth preferred. **Must have driver's license and means of transportation to travel to/from schools for Barge on Wheels.** Must be able to perform general vessel upkeep such as cleaning, rust busting, painting and maneuvering in and out of a canoe for scumline cleaning. First aid/CPR and kayaking experiences preferred, but not required. We are looking for self-motivated, energetic, people-oriented candidates with strong communication skills, proven reliability, punctual and professional attitudes. Great opportunity to serve as a mentor for young environmental stewards. Must be enthusiastic about working outdoors.

Upcoming season is March 15, 2022 – June 12, 2022. Up to 25 hours per week, weather depending. Typical hours are between 7:00am-2:00pm Monday - Friday with occasional evening and weekend hours. Candidate with flexible availability is preferred. Background check will be required. Must have reliable transportation. This seasonal, outdoor position is \$13.50/hour. Please e-mail resume and 3 references to Summer Mace (smace@elizabethriver.org) with subject line: "Seasonal Educator Position". **NO PHONE CALLS PLEASE.**

It is the policy of the Elizabeth River Project to provide equal employment opportunities for all persons, without regard to race, color, religion, sex, national origin, gender, age, veteran status, disability, political affiliation, sexual orientation or genetic information. Minorities, women, veterans and individuals with disabilities are encouraged to apply.
